

# Palmeco® Furnish

The future of sustainable furniture

## Sustain your home or hotel

All the functional properties and ecological benefits of Palmeco's boards and panels are now made available as robust, stylish furniture.

## Sustainable spaces

Built from a wealth of products in Palmeco's product range, your space can be enriched with bespoke cabinets, counters, storage units, and more.

It takes just a few steps to build your chosen piece made with Palmeco Furnish. Pieces are available ready to assemble from an easy-to-handle flat package.

## Materials in Palmeco Furnish

Palmeco Master Board  
DecoPanel  
Arcmax

### Freedom to find the right fit

Now there's truly a cost-effective and environmentally friendly way to live. Once you buy a Palmeco Furnish piece, you can replace the materials or swap out the design for a truly sustainable piece of furniture.

If you have a vision for a furniture piece, share your plan with us and our experts can work with you to make your design come to life.
